

# Certified Professional for Software Architecture® (CPSA)

The international Software Architecture Qualification Board ([iSAQB](#)) defines curricula on several levels for software architects.

The terminology used in the iSAQB curricula can be found as a (freely available) ebook, published on [Leanpub](#).

## Development versions

The Web Architectures (WEB) Curriculum is currently maintained and published in both English (EN) and German (DE). Maintainers and volunteer reviewers collaborate on GitHub to improve the curriculum.
